SUMMARY

Proficient software engineer with three years of experience in full-stack development with an interest in front-end and design-focused roles. My technical expertise includes AWS, JavaScript, Angular, and React. I excel at problem-solving with a methodical approach and thrive in fast-paced, agile environments. As a collaborative team player, I prioritize delivering high-quality code that aligns with stakeholder requirements and enhances user experiences.

PROFESSIONAL EXPERIENCE

Software Engineer | 2022–Present

Liberty Mutual Insurance
